FRIDAY 8 MAY
2020

Mark the date in your diary. Start to give some thought as to who you can nominate in your or someone else's company or crew. Who's made a difference? Who's really stood out this year? Who deserves to be recognised for their efforts?

Yes,
it's that
time again

The forestry awards programme for the lower South Island is running again in 2020. This will be the sixth major awards evening for the industry in the lower South Island. Feedback after last year's awards was excellent. The turnout each year continues to be by far, the largest annual gathering of forestry and wood products companies, contractors and transport operators from throughout the region. Every year, well over 350 people from the industry attend.

The 2020 Southern Wood Council (SWC) Forestry Awards evening is shaping up again to be another huge night out for the industry across Southland, Otago and South Canterbury. It's being run by the Southern Wood Council in conjunction with the industry training organisation, Competenz. It's also being supported by all major forestry companies and key suppliers to the industry from throughout the region.

What's being planned?

When: 5.30 - 9.30pm, **Friday 8 May 2020.** Mark the date now into your diaries.

Where: Corporate Lounges, Fourth Floor, Forsyth Barr Stadium, Dunedin.

Format: Pre-award drinks and nibbles, awards ceremony, post award drinks and catering.

Awards Presentations: As well as networking, recognising and awarding **certificates to those that have achieved National Forestry qualifications** over the past year and the awarding of **nine major forestry awards** for 2020, special presentations by forestry and sporting greats will be planned as part of the evening. Details will follow.

2020 Forestry Awards Nominations:

This is a unique opportunity for those involved in training, in growing, processing and transporting wood and for those who support the industry through the provision of products and services.

It's an opportunity to come together to celebrate success – and to celebrate the contribution that the forestry sector is making to the community and economy – in the lower South Island.

To ensure the success of these and ongoing awards, take the time to nominate an individual or company that has stood out in 2019-20. The process of nominating has been kept as short and as straightforward as we can make it.

Each of the awards and awards criteria are listed on pages 3-4 of this brochure. The one-page Official Nomination Form is contained as a separate page to this four-page brochure.

Support the forest products industry in our region and celebrate the success of individuals or companies that have stood out this year. Nominate someone who's stood out within our own industry over this last year - today.
